We were so worried! It couldn't be right, it was so late and...
Eh?
But it seems like there is
a glass wall

ACCORDING TO THE DOCTOR IT SEEMS THERE IS SOME HEARING
THEY SAID THAT THERE WERE INJURIES IN HER EAR WHICH IS WHY SHE CAN'T HEAR CLEARLY...
Because

At the beginning I was also very startled
I'll go to my Job now.

This situation
Why can I hear them?!

I was already used to it
MAMA-
Also when I had been brought to the hospital for an examination

From that day on

I was one person

To me it was just something I heard
It was just different from before
Yummy yummy
Because they were also talking there is no way to
Tuna is so yummy

Living in
An incredible world
Haha

The sound of the car approaching

THIS ISN'T OKAY!
LOOKING IN A RANDOM DIRECTION, YOU WALKED ONTO THE ROAD!
What...?

HURRY AND TAKE ADVANTAGE OF THE SITUATION! ATTACK--!!
I
Why am I able to speak normally with him?
So why?
Eh?
Ah
Why am I only able to hear your voice?
Are you human?

Said it out loud
...
Wah
I
Hey

What did you say? Just now...
...

...
Somehow I feel that I shouldn't provoke this guy!
Ah I'm very sorry. There's nothing wrong.
Then, I'll just leave first-
...

WHAT
WAH

sniff

It really is you
WAIT WAIT WHAT ARE YOU DOING?!

Who are you--!?
COME WITH ME
...you
I'VE FINALLY FOUND YOU
What to do...
Wah-
.....
WAIT...
I'LL CALL THE POLICE!
WHAT ARE YOU DOING!?
Let me change back
da
IT HURTS

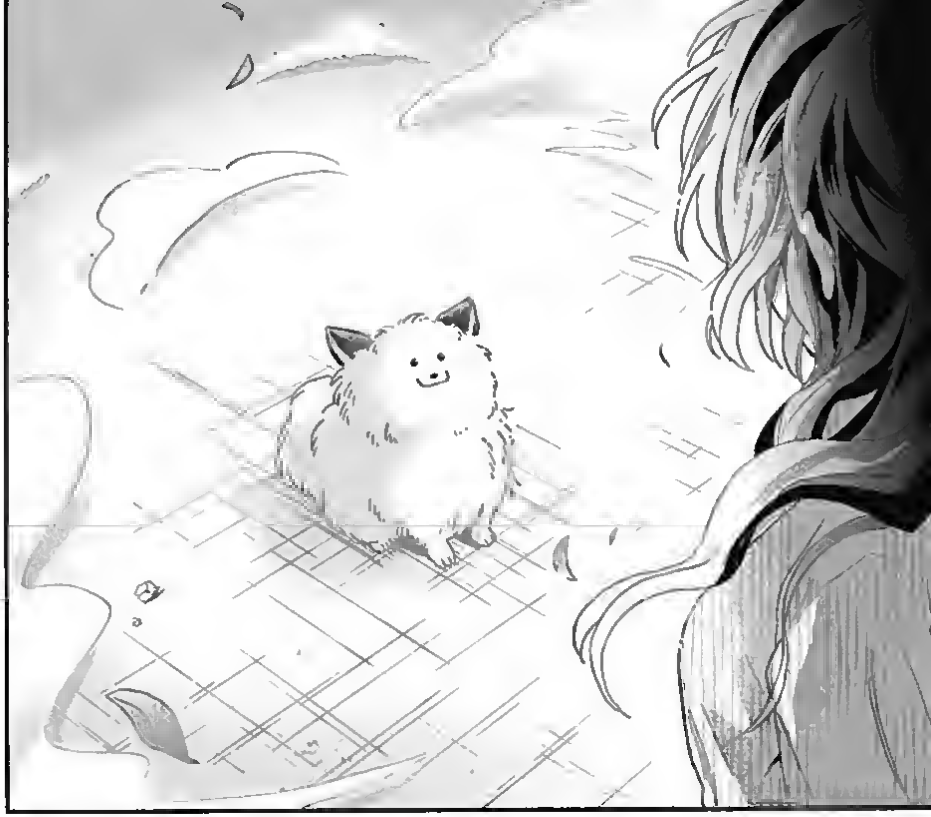
TL: IT'S UNCLEAR WHETHER HIS HUMAN FORM IS THE SECONDARY FORM OR THE OTHER ONE
Let me change back my secondary form!!
change back?
...ha??
What?
What ...?
This form is...
This, this thing!!
It's all because of you!
If I tell you, will you understand?
...starting from just now, what on earth are you talking about?
I can't figure out what he means
TL: A MOUNTAIN DOG IS A JAPANESE WOLF
I'm a mountain dog

I'm a wolf!
A wolf!
...wolf?
THREE YEARS AGO

That day I was in the forest
And then you fell down
I was involved in your accident
I fainted and when I woke up
I trans-formed into a human body
Just what did you

Wolf?
WHAT
THREE YEARS AGO
HE WAS INVOLVED?
DO TO ME?!
.....
.....
.....
.....
.....
.....
Eh.....?
No no no
Hey?
This really is a dangerous person. This person
I made him angry. I'm in trouble...
Say something!

Of–
of course of course not
of course I don't think this person is a dangerous person at all...
DO YOU THINK I'M STUPID!?
I understand
no...
HEY!
I can recommend you to a hospital...
I
...ah
Then I'll show you
What
My true self
I'll let you see it



Is it because you're too afraid that you're not making a sound...?
How...?

...WHAT KIND OF JOKE IS THIS?
Ah...
eh?
WHAT WOLF
ISN'T THIS JUST A SMALL LITTLE DOG?
Of... of course not
I-I'm just this way for now
My actual form is supposed to be bigger My body should be a bigger size than this
Really
But right now I don't have enough power so I can't turn into my original form...
Ah?
Gone
Ah- really
I got involved with a weird thing
walk
walk
SHE'S FINISHED HER PART-TIME JOB
Even if it is that guy...
If he's really a dog... then that's why I can hear his voice clearly
Wolves in human bodies... do they really exist?

Okay
It certainly is stored there
.....
LOOK AT YOURSELF, COME UP WITH A WAY TO DEAL WITH ALL THAT BODY FAT!!
Body fat?
I hope you are being sincere I have a "store of love" for it...
IT CAME OUT! THE FATTY'S TRUE NATURE!

I was involved in your accident

Hey
HIT'S
WAHH

Is it my fault...?

That kind of thing
Although I can't remember it

I can't! If I let go of you, you'll run away again!!
STOP IT! LET GO OF ME!
Uwahhh he turned into a human
DON'T RUN AWAY!!
It wasn't easy... I finally
Found you...

I'm sorry
even if it's true that you were involved in my accident,
From that day onwards, my hearing deteriorated.
But I could hear the voices of animals and it was unusual
Maybe that's my reason.

...I CAN'T CHANGE YOU BACK!

But until today, it didn't matter what I did. My hearing didn't come back.
Although I'm very sorry for you
There's nothing I can do
So, I hope you can let go of me
.....
I don't want to...
WHAT?
wait a minute
I ALREADY TOLD YOU ALL OF THAT... WHAT DO YOU STILL WANT ME TO DO?!
.....

Up until today, I was always search-ing for you
But, no matter where I looked, I couldn't find you
And then I met you
You're right, I'm not human
And you asked me if I was human
I feel like this is fate

And so
Please keep me!
